Sexual Health Inventory for Men (SHIM)

Patient Instructions:

Sexual health is an important part of an individual’s overall physical and emotional well-being. Erectile dysfunction, also known as impotence, is one type of very common medical condition affecting sexual health. Fortunately, there are many different treatment options for erectile dysfunction. If you are, you may choose to discuss treatment options with your doctor. Although erections may not be an issue for you we still administer this questionnaire because some medical treatments can affect erections and it’s important to establish your baseline erectile function.

Each question has several possible responses. Circle the number of the response that best describes your own situation. Please be sure that you select only one response for each question.

Patient Name:

D.O.B.

Today’s Date:

How would you rate your confidence that you could get and maintain an erection?		Very Low 1	Low 2	Moderate 3	High 4	Very High 5
When you had erections with sexual stimulation, how often were your erections hard enough for penetration?	No Sexual Activity 0	Almost Never or Never 1	A Few Times (much less than half the time) 2	Sometimes (about half the time) 3	Most Times (much more than half the time) 4	Almost Always or Always 5
During sexual intercourse, how often were you able to maintain your erection after you had penetrated your partner?	Did Not Attempt Intercourse 0	Almost Never or Never 1	A Few Times (much less than half the time) 2	Sometimes (about half the time) 3	Most Times (much more than half the time) 4	Almost Always or Always 5
During sexual intercourse, how difficult was it to maintain your erection to complete intercourse?	Did Not Attempt Intercourse 0	Extremely Difficult 1	Very Difficult 2	Difficult 3	Slightly Difficult 4	Not Difficult 5
When you attempted sexual intercourse, how often was it satisfactory for you?	Did Not Attempt Intercourse 0	Almost Never or Never 1	A Few Times (much less than half the time) 2	Sometimes (about half the time) 3	Most Times (much more than half the time) 4	Almost Always or Always 5

Add the numbers corresponding to questions 1-5.

Patient Financial Policy

Welcome to Treasure Valley Urology and thank you for placing your trust in us! We are committed to providing the best possible care and ensuring there is clarity in your financial responsibilities is an essential part of your care.

- YOUR HEALTH INSURANCE POLICY
 - It is a contract between you and your insurance company. It is your responsibility to know the specifics of your insurance coverage and whether Treasure Valley Urology is in or out of network.
- REFERRAL OR PREAUTHORIZATION
 - If needed, we will engage your referring physician or insurance company. However, it is ultimately your responsibility to ensure the referral or authorization is received in advance.
- HEALTH CARE COMPANIES/PLANS
 - Please call your insurance company prior to your appointment to determine if your physician is in network with your plan. We will submit a claim to your plans and you will be expected to pay the co-payment and/or other financial obligations. **Per your insurance company, we are expected to collect all co-payments and co-insurance/deductibles when you arrive for your appointment.**
 - Treasure Valley Urology is NOT contracted with any out-of-state Medicaid programs
 - I, the undersigned, assign all medical benefits to which I am entitled including Medicare, Medicaid, private insurance, and third-party payors Treasure Valley Urology PLLC and authorize the assignee to release all information necessary including medical records to secure payment.
- PAYMENT IS DUE AT TIME OF SERVICE
 - We accept checks, VISA, MasterCard, Discover, or cash. If you are not able to make your co-payment, pay toward your balance, or your co-insurance/deductible, your appointment could be cancelled or rescheduled. We charge 3.5% on Credit and Debit card transactions to recover the 3.5% charged to us by the credit card processors. Returned checks incur a \$50 fee. If you have trouble paying her bill please communicate with the billing office so monthly payments can be arranged. Overdue balances incur an 18% annual interest.
- INSURANCE CARD AND REFERRAL PAPERWORK
 - Please bring a current copy of your insurance card and current authorization if required by your insurance company. If proof of insurance is not provided, you could be expected to make payment in full at the time of your appointment.
 - Medicaid patients are required to bring a current copy of their card or proof that an application is in process and Medicaid documentation that the visit will be a covered service.
 - Healthy Connections patients also will need to bring their Healthy Connections referral or make arrangements for their Primary Care Physician to send it to us prior to their visit.
- HOSPITAL OWNERSHIP DISCLOSURE:
 - Dr. Heiner has an ownership interest in Treasure Valley Hospital which is a partially physician-owned surgical Hospital that offers the lowest cost hospital care in the Treasure Valley with excellent clinical outcomes. A patient has the right to choose where to receive their medical care and should actively research the various facilities and communicate their preferences to us.
- PATIENTS WITHOUT INSURANCE COVERAGE
 - If you do not have insurance coverage, charges incurred will be your responsibility and payment is expected at time of service.

FOR THE FOLLOWING ITEMS, PLEASE INDICATE YOU UNDERSTAND BY INITIALING EACH OF THE FOLLOWING:

_____ Accounts with a past-due patient balance incur an interest penalty of 18% annually and can be sent to a financial management/collection agency without further notice.

_____ Insurance may not cover all services and supplies. If your health plan determines a service or supply is not covered, you will be responsible for the non-covered charges. Payment for non-covered services is due upon receipt of a statement or notice from our billing office.

_____ There will be a \$50.00 charge for returned checks (insufficient funds).

_____ There will be a \$25.00 charge for all no shows. (Charged at our discretion.) This is not covered by your insurance.

I have read and understand the financial policy of Treasure Valley Urology Pllc and agree to be bound by its terms. I also understand that such terms may be amended without notice by the practice and if I refuse to sign and continue to seek/receive care, my agreement with this policy is implied.

Patient Consent Form

I hereby consent to have the following procedure: **Vasectomy**. The risks, benefits, potential complications, and the options for treatment/diagnostic tests available have been explained to me. I acknowledge that I am aware of the risks and potential complications related to this procedure.

I understand my doctor may also perform additional services deemed necessary and reasonable. If available and I choose to use it I consent to self-administered nitrous oxide (laughing gas) and understand that it is not billable to insurance and I will have to pay out of pocket for it. I agree to pay for any services not covered by insurance.

Vasectomy Payment Policy

As this is an elective procedure, payment is expected at the time of service. There is a charge for the initial consultation. There is also a separate charge for the procedure and sterile surgery pack. Some insurances we contract with may make contractual adjustments on these charges; and Treasure Valley Urology will do an estimate on your out-of-pocket expenses. **You are responsible for knowing what your insurance does and does not cover for this procedure and will be responsible for the total amount that insurance puts to your responsibility.**

Some consultations may occur on the same day of the vasectomy. The decision of whether or not to perform the vasectomy can not be made until after you are seen and examined by the doctor and you have been through the informed consent process.

Please plan on paying the amount due at the time of service. If you are not prepared to pay at the time of service, your surgery will be rescheduled. For your convenience, we accept cash, VISA, MasterCard, Discover, and American Express credit cards. When patients use a credit or debit card we charge a 3.5% fee which covers the 3.5% fee charged to us by the card processor. If you are self pay, our policy is to have payment in full prior to the procedure being performed. PLEASE BE ADVISED - If you give less than 24 hours notice of cancellation and/or no show to the procedure, you will be subject to a \$100 fee to cover our business overhead costs.
